

BASIC TRAINING WORKSHOP

A Developmental Approach to Teaching Self-Discipline

WHEN: June 13, 2019

8:00-12:00 and 12:45-2:45

Registration begins at 7:30

PLACE: St. Boniface Catholic School - 128 North Buchanan St. - Edwardsville, IL 62025

HOST: Principal: Laura Kretzer

FOR: Teachers in Kindergarten through 8th grade, parents and support staff

WHAT: Discipline with Purpose is a nationally recognized program designed to teach students in Kindergarten through 8th grade the most important skills they can learn – skills of self-discipline. In this workshop participants learn to distinguish actions that require disciplinary consequences from those that indicate self-discipline skills are missing. They learn about the 4 skills of discipline and how they fit into the wider framework of 15 self-discipline skills. They review field tested lesson plans and discover four ways to teach the 15 skills. They build action plans that are realistic and practical and can be used immediately.

REGISTRATION: Registration forms will be due by May 15, 2019. Please complete the registration form below and email or mail it to the DWP office.

COST for Workshop

* \$65 each for DWP Graduates repeating the workshop.

*\$165 each for first time participants.

(Price includes DWP Workbook and Mini Flip Chart of Skills)

If additional materials are needed please indicate that on the registration form and they will be billed separately.
